

Reproducing Women: Medicine, Metaphor, and Childbirth in Late Imperial China

by Yi-Li Wu

Reproducing Women: Medicine, Metaphor, and Childbirth in Late Imperial China. By Yi-Li Wu. Yi-Li Wu shows with great clarity and finesse the female body as imagined in major Ming-Qing medical texts, and how such imagination was intrinsic in the social and intellectual trends of the time. Reproducing Women: Medicine, Metaphor, and Childbirth in Late Imperial China by Yi-Li Wu with Rakuten Kobo.
